Thuy, can you add a chronology to this as Ed is requesting? I'm pretty sure you already have most of that in the other paper we were updating, so hopefully this is an easy ask. Let me know. I'd like to see it before we send it up, too.

Thanks!

Fyi – We should have a word document that lists Chronologically from the beginning what has been happening here and add to it each day.

Hi Diana,

I've copied Rhina and Shamus from my team. Rhina is taking the lead on comms for this PFAS issue and Shamus is her team leader. Please work with the three of us on coordination.

Ed –

Who is working on the press statement for OCSPP?

We are drafting sections on the anticipated Clarke SSURO and Ex 3 Deliberative Process (DP) TSCA subpoena (information request). We plan to have sections in draft form by tomorrow. I want to have our teams coordinate on the overall message.

Thanks
Diana
